My NASA Data & GLOBE, GLOBE Mission Earth

11/19/2020

GLOBE Mission Earth Partner, NASA Langley Research Center, Presents to Virginia Educators at the Annual Science Teachers' PD Institute

From Nov. 19- 21, 2020, NASA Langley Research Center's Science Directorate Education Outreach Team presented virtually to over 150 educators attending the annual Virginia Association of Science Teachers Professional Development Institute. Elizabeth Joyner, My NASA Data, partnered with Middle School Life Science Teacher from Louisa County, Patrick Scharf, presenting to 70 Virginia educators how to use NASA Earth Data in the classroom. Angie Rizzi, GLOBE, presented strategies on connecting with NASA Subject Matter Experts, as well as NASA cloud resources for virtual and in-person learning, reaching over 90 educators.
